III. Read the passages carefully and check : True , False or Not mentioned for the following sentences :

A. In the first part of the 20th century , before a TV set was a part of most households , radio program was different from what it is now . Many people were interested in listening to " Story Hour" . Some read an exciting story , or part of a story , while the listener's imaginations provided visual images to fit the spoken ones . People listened to serials , stories that were broken into one hour segment . Because each hour ended with suspense , listeners had to tune in at the same time the next day to find out what would happen . Families gathered around the radio at night to hear important news or to listen to favorite programs . Radio was an important form of home entertainment . However , because of TV , radio program has changed .

1. In the first part of the 20th century , radio program was different from what it is now .
