## ELIZABETH I: THE GOLDEN AGE

*Friday Review by Scott Kerry*

I watched the movie *Elizabeth I: The Golden Age* last Thursday with a group of friends. We watched it for a history project we're doing at school. It is a drama about Queen Elizabeth I. She was born in 1533 and became Queen of England in 1558. She was a really strong leader. Her ships won battles against Spanish ships in 1588. Before I watched it, I didn't know if I would like it. I don't like many dramas but this was fantastic. The story of the movie was really interesting and so many exciting things happened. It was great! All my friends loved it too. You really should watch it!
